*"Young childrens theater at its best!"*  
 Svenska Dagbladet

Bun and Bunny are best friends: *"How strange - you hurt yourself, and still I am the one who feels hurt."* Their friendship is challenged and jealousy pounds in Bunny's chest. Bunny runs away. Will the friends reunite? We follow the two friends one day when jealousy, anger and anxiety mixes with the lovely feeling of regaining a friend. *"How lucky we got lost, so we could get back together again."*

*"This is theatre, which even in its simplest form, is driven by a warm and heart pounding breath. A creativity characterized by what I call "Spirit" - the luminosity that takes you in, wanting to stay in the moment. What we are seeing is something that is difficult to properly describe, but which directly proves that yes - this is art."*

**Dagens Nyheter**

*"Tittut takes the assignment seriously and does not shy to introduce the young audience for such a complex feeling as melancholy. Bengt Ernryds delicate music sets the tone."*

**Expressen**

*"...careful handicraft of highest quality: In short, young children theater at its best!"*
